DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in
5 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is
eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e)
has been timely paid, the finality of the previous Office action has been withdrawn pursuant to
37 CFR 1.114. Applicant's submission filed on December 18, 2003 has been entered.

Amendment

10 2. Receipt is acknowledged of the amendment filed on December 18, 2003 along with
continuation examination request. In the amendment claims 25-48 were newly added.
Currently, claims 19-48 remain for examination.

Allowable Subject Matter

15 3. Claims 19-48 are allowed.

4. The following is an examiner's statement of reasons for allowance: the claims are
directed at a memory card, a memory card reader interfacing with the card, and the system
comprising the card and the reader. As indicated in previous Office Action, and further shown
20 by the cited references in this Office Action, such memory card is generally known in the art.
However, the cited references, taken alone or in combination, fail to show or fairly teach a
memory card with manually-settable switch which inhibits or allows writing of data into the

Art Unit: 2876

memory card. The memory card is further comprised of a control means which sends the status of the switch responding to read status instruction from the reader apparatus. Write instruction is performed only when the status for write-inhibit is not set as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
